

Friends

of the Sioux City Public Library

January 2011

Dear Friend:

Love Your Library

Celebrate the enjoyment of using your public library—be a Friend!

Since 1965, financial support from The Friends for books and recordings, children’s programming and outreach, computers, and online resources has helped the Sioux City Public Library provide the excellent service we enjoy today. From furniture and meeting room equipment to multiple-volume reference sets and bilingual books for readers whose native language is not English, Library Friends annually provide the “extras” that enrich public library service in Sioux City.

The Friends Board organizes a used book sale each spring and funds Library projects with the proceeds. Additional support is gathered through contributions from people like you. In 2011 Library Friends will support the children’s summer reading program, enhance the large print collection, provide multiple copies of the One Book One Siouxland selection, and expand the Library’s motion picture license. They will purchase display shelving for the Morningside Branch and support the Library’s *Sioux City Journal* Indexing project. This enrichment package totals over \$13,000.

Please join other Siouxlanders who love and support the Sioux City Public Library—make your contribution today!

Sincerely,

President, Friends of the Sioux City Public Library

**\$5 in Book Sale Bucks
for any contribution
of \$10 or more**

2010-2011 Friends of the Sioux City Public Library Board
