### If You're a Dog and You Know It

*Tune: "If You're Happy and You Know It"*

If you're a dog and you know it, wag your tail!  
If you're a dog and you know it, wag your tail!  
If you're a dog and you know it  
and you really want to show it,  
if you're a dog and you know it, wag your tail!

**Verses:** bark like this "woof! woof!"  
scratch your ear, spin around,  
shake off water

## Early Literacy Tip

As you read books with children, pausing to count the number of things in a picture can be beneficial to the child. The names of numbers, especially after the number ten, can be hard for children to remember. When we count pictures of things in books, it is a great idea to count along with our children. This helps children enter school with some basic math concepts.
