If you're thankful and you know it, clap your hands.

If you're thankful and you know it,

Then your face will surely show it,

Stomp your feet

Shout "I am!"

Do all three!

## Early Literacy Tip

By sharing books in an interactive way and connecting what is in the book to the child's experience, you help to make the book more enjoyable. When children associate reading books with joyful experiences, it helps them want to learn to read and to stick with learning to read even when it might be difficult.
