## Activities

### **Cup of Tea, Finger play**

Here's a cup, and here's a cup,  
*(make left and right hands into cups)*

And here's a pot of tea.  
*(use both hands to form pot)*

Pour a cup, and pour a cup,  
*(mime pouring 1<sup>st</sup> and 2<sup>nd</sup> cups)*

And have a drink with me!  
*(mime drinking from a teacup.)*

## Early Literacy Tip

**Cooking with your child is an opportunity for fun and learning!** Show your child a recipe and help them see the order of the cooking steps. Understanding the order in which things take place helps children develop the mathematical concept of sequencing.
