

Congratulations on finishing your first 200 books!

Continue to track your progress on the back of this bookmark for your next 200 books.

You are your child's first and best teacher!

siouxcitylibrary.org

child's name:

2 track books 201 - 400 with this card

Children who hear at least 1000 books before kindergarten have greater success learning to read. Encourage learning by spending time sharing books each and every day. Reading together helps develop important pre-reading skills that provide a solid reading foundation — and it's fun!
