4 track books 601 - 800 with this card

Children who hear at least 1000 books before kindergarten have greater success learning to read. Encourage learning by spending time sharing books each and every day. Reading together helps develop important pre-reading skills that provide a solid reading foundation — and it's fun!

track your progress:

Progress tracking grid with checkboxes for books 610 through 800.

Congratulations! You and your child have read 800 books! Bring this card to any Sioux City Public Library location to celebrate and receive another card to complete 1000 books!
