

USING THE FREEGAL MOBILE APP

Download the free Freegal Music app from your app store.

To login to the Freegal app:

1. The first page will ask you to enter you zip code, city, or country. If you type in Sioux City and tap CONTINUE it will bring up a list of different libraries. In that list will be SIOUX CITY PUBLIC LIBRARY.
2. Tap SIOUX CITY PUBLIC LIBRARY. You will then be prompted to type in your library card number. Type in the entire number beneath the barcode without any spaces. Then you will be asked for your PIN, which is the month and day of the card holder's birthdate – MMDD.
3. Tap LOGIN after typing in those numbers and you will be all ready to browse and listen to millions of songs!

TIP: If you find yourself needing help when using the Freegal Music app, tap on the three vertical dots in the upper right corner of the app. This will display information like your library card number and your streaming and downloads available. It also has a TUTORIAL to show you the highlights of the app and FREEGAL MUSIC SUPPORT to offer further help.

WHAT IS FREEGAL?

Freegal Music is a digital media service available through the Sioux City Public Library. All you need is your full-access library card and you will be able to:

- Download and keep, up to five songs (MP3) per week.
- Unlimited ad-free music streaming (through December 31st, 2020).

Freegal provides access to the entire Sony music catalogue and more – there are millions of songs to choose from!

GETTING STARTED ON A PC/MAC

- 1.) Access Freegal from the Library's website: www.siouxcitylibrary.org - under the header **ERESOURCES**. Or you can go directly to this website: www.siouxcity.freegalmusic.com/home
- 2.) Once you are on the Freegal webpage click on the blue LOG IN button in the upper right corner of the screen. You will then be prompted to type in your library card number. Type in the entire number without any spaces. Then you will be asked for your PIN, which is the month and day of the card holder's birthday – MMDD.

FINDING MUSIC

By using the search bar (shown below) in the top right of the page you can search by song title, artist, or album title.

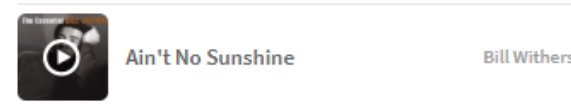

By clicking on the word BROWSE (shown below) on the left side of the page you can browse the top songs, albums, and playlists.

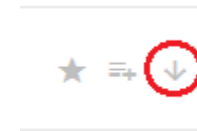

DOWNLOADING MUSIC

Find a song that you would like to download.

To the right of the song information (like title, album, and artist) you will find the download icon – the downward pointing arrow.

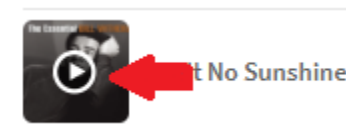

Your song will immediately begin to download onto your computer. Once downloaded, a song can be transferred to an iPod or MP3 player.

TIP: Even if you've used up your five downloads for the week, you can still add songs to your Wishlist by clicking the star to the left of the download button.

STREAMING MUSIC

Stream unlimited ad-free music!

To **stream a song**, click the PLAY button on the album cover picture.

To **stream an album**, click the blue STREAM button on the album page.
