Activities

If You're Wearing...

Tune : If You're Happy and You Know It

If you're wearing something red, clap your hands.
If you're wearing something red, clap your hands.
If you're wearing something red, put your hands upon
your head.
If you're wearing something red, clap your hands.

(Other verses)

Blue, stomp your feet, too
Green, wave your hands so you are seen
Yellow, shake like you're made of Jell-O
Black, put your hands behind your back
Pink, give everyone a wink
Brown, stand up and turn around

Early Literacy Tip

Giving your children paper and crayons, markers, or pencils even when they can only scribble is the beginning of early writing. It takes a lot of coordination to write. Scribbling and drawing are the beginning steps to writing. Posting your children's work on the refrigerator or around the house will show them how proud you are of their efforts.
