Activities

I Looked Up in My Apple Tree

I looked up in my apple tree,
(shade your eyes and look up)
And 5 red apples smiled down at me.

(hold up five fingers)

I shook that tree as hard as I could,
(grab wrist with free hand and shake)

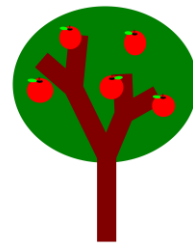

Down fell an apple!

(lower one finger)

Mmmm, good.

(pretend to eat apple)

Early Literacy Tip

Invite your child to get involved each time you read together. ("I see a dog on this page. Where's the dog?") Don't be surprised if your child wants the same book again and again. Reading the same thing many times is great for building language!
