Hands Are Clapping

Tune: Skip to My Lou

Hands are clapping, clap, clap, clap!
Hands are clapping, clap, clap, clap!
Hands are clapping, clap, clap, clap!
Clap your hands, my darling!

Verses: Toes are tapping, fingers are wiggling,
eyes are hiding peek-a-boo, hands are patting,
head is nodding.

Early Literacy Tip

Because children are trying to make sense of the world, we may have to explain things that seem obvious. One child thought that the supermarket checkers must be very rich because they collect all that money. When you take time to explain, you add to your children's background knowledge, which will also help them later in understanding what they read.
