There's a Spider on the Floor

There's a spider on the floor, on the floor.

There's a spider on the floor, on the floor.

Who could ask for any more-- than a spider on the floor?

There's a spider on the floor, on the floor.

There's a spider on my leg ...

Oh, it's really, really big-- this old spider on my leg.

Now the spider's on my stomach ...

Oh, he's just a big old lummock-- this old spider on my stomach.

Now the spider's on my neck ...

Oh, I'm such a wreck- there's a spider on my neck.

Now the spider's on my face, on my face ...

Now the spider's on my face, Oh what a big disgrace!

Now the spider's on my hair ...

Oh, I wish he wasn't there -- I've got a spider on my hair!

And it jumps off!

Now there's a spider on the floor, on the floor ...

Early Literacy Tip

Letter knowledge starts with seeing and recognizing shapes. A baby playing with a ball feels its roundness. Later that will mean a circle or the letter O. Lots of letters use the circle shape, while others use triangles and other shapes. Researchers have found that children identify letters by their shapes!
