Head to Toe!

Activities

Hands on Shoulders

Hands on shoulders, hands on knees,
Hands behind you, if you please.
Touch your hips, now your nose,
Now your head and now your toes.
Hands up high, in the air,
Then pull them down and touch your hair.
Clap your hands one, two, three!
Then out at your sides, like a giant tree.

Put Your Little Finger On Your Knee

Tune: If you're happy and you know it

Put your little finger on your knee.
Put your little finger on your knee.
Then turn yourself around,
Stamp your feet upon the ground
And put your little finger on your knee!
(Continue song using your finger to point
at other body parts)

Early Literacy Tip

What happens when *you* don't know the meaning of a word?

This is a great opportunity to show your children what we do when we don't know something! There's the dictionary, of course, but also you might be able to figure out what the word means from what else is going on in the story or from a picture.
Talk through your thought process so your children will understand how we find out the answers to questions. These are strategies they can use when they are readers, too.
