### Got My Toothpaste

*Tune: "Twinkle, Twinkle Little Star"*

Got my toothpaste, got my brush.  
I won't hurry, I won't rush.  
Making sure my teeth are clean.  
Front and back and in between.  
When I brush for quite a while.  
I will have a clean happy smile.

## Early Literacy Tip

Be sure to share factual books with your young children. Follow their interests, whether in a particular animal, in how things work, in trains, or in anything else that piques their curiosity. The information in nonfiction books introduces new vocabulary words, and we learn right along with our children. Supporting their curiosity goes a long way in encouraging a love of learning. Many children who are less interested in stories are very interested in particular topics – trains, dinosaurs, various animals, how things work, and so forth.
