Activities

Five Little Bears

Five little bears were dancing on the floor,
One fell down and that left four!

Four little bears climbed up a tree,
One found a beehive and that left three!

Three little bears were wondering what to do,
One chased a bunny and that left two!

Two little bears were looking for some fun,
One took a swim, and that left one!

One little bear sitting all alone
He looked all around and then ran right home!

Early Literacy Tip

It's fun and easy for children to learn about topics that are relevant to them. For instance, songs about everyday experiences, body parts, and senses help young children understand their world. Using picture books on such topics also helps children to expand their knowledge of the world we live in.
