### Early Literacy Tip:

Naming and categorizing things can be fun for children of all ages. Help children make sense of their world by grouping things that go together, such as knives, forks and spoons at a table.

### I'm a Yellow Digger

Tune of "I'm a Little Teapot"

I'm a yellow digger,  
Big and strong!  
Here is my shovel,  
Here is my arm.  
When you need a hole,  
Just watch me go!  
I dig and scoop the dirt just so.
