Snowflakes Falling

to the tune of "Ten Little Indians"

Snowflakes falling down, down, down,
Snowflakes falling down, down, down,
Snowflakes falling down, down, down,
Falling to the ground.

Watch them growing deeper, deeper,
Watch them growing deeper, deeper,
Watch them growing deeper, deeper,
Covering the ground.

Chubby Little Snowman

A chubby little snowman,
(Hold hands out to demonstrate
"chubby.")

Had a carrot nose.

(Point to nose.)

Along came a bunny,

(Make bunny hand gesture.)

And what do you suppose?

(Shrug shoulders; hold out hands.)

That hungry little bunny,

(Rub stomach.)

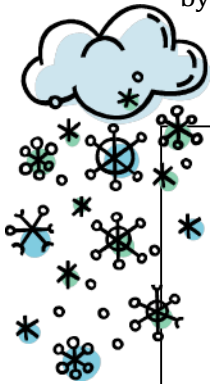

Looking for his lunch.

(Hold hand above eyes, as if searching
for something.)

Ate that snowman's carrot nose,

(Pretend to eat.)

Nibble, munch, CRUNCH!

Snowflakes, Snowflakes

to the tune of "Are You Sleeping?"

Snowflakes, snowflakes,
Snowflakes, snowflakes,
All around, All around--
Whirling, twirling snowflakes,
Whirling, twirling snowflakes,
Falling down, falling down.

Literacy Tip!

Even if you can't sing on key, be sure to sing to your child! Your child is not looking for a concert-quality song; he or she wants familiar sounds from a person who means a great deal to them. Singing together can be fun; it doesn't require any special equipment or cost any money!
