The Kettle and the Pot

Bubble, bubble said the kettle
Bubble said the pot,
Bubble, bubble, bubble, bubble,
We are getting hot!
Shall I take you off the fire?
No, you need not trouble,
This is just the way we talk!
Bubble, bubble, bubble!

Literacy Tip!

When you cook with your child, talk about what you are doing to help him understand all the steps involved. Such experiences serve children well when they try to understand the world around them.

Vegetable Soup Song

Sung to: "The Farmer in the Dell"

The soup is boiling up
The soup is boiling up
Stir slow-around we go
The soup is boiling up.

First we add the broth
First we add the broth
Stir slow-around we go
The soup is boiling up.

Now we add some carrots
Now we add some carrots
Stir slow-around we go
The soup is boiling up.

Continue with whichever vegetables your children want. Have the children stand around a large imaginary pot pretending to stir the soup.
