### Activities

#### **Up, Up and Away!**

Up, up and away! Put your hands way up high

*(raise arms up in air)*

Like Superkid flying across the sky

*(assume flying position)*

Fly to the left, now fly to the right

*(lean to your left, then right)*

Now show me your muscles with all your might

*(make arm muscles)*

Now Superkid's putting his suit away

*(bring arms down slowly)*

So he can go flying another day!

*(rest hands in lap)*

## Early Literacy Tip

Helping your child put words to feelings develops vocabulary in a meaningful way. You can talk not only about your child's feelings but about yours as well.

Children can understand the words long before they can say them.
