### Five Candles

Five candles on a birthday cake  
Five, and not one more  
You may blow one candle out,  
And now there are four!

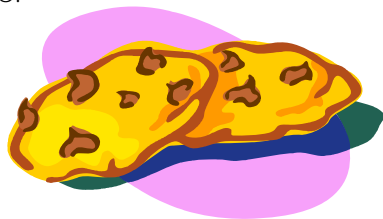

Four candles on a birthday cake  
There for all to see.  
You may blow one candle out  
And now there are three!

Three candles on a birthday cake  
Standing straight and true.  
You may blow one candle out  
And now there are two!

Two candles on a birthday cake  
Helping us have fun.  
You may blow one candle out  
And now there is one!

One candle on a birthday cake  
Oh, what a treat!  
You may blow one candle out  
And now let's eat!

### Early Literacy tip

Writing, including scribbling, is one way to develop print awareness. Encourage your child to "read" to you what he or she has written. This helps to reinforce that writing and print have meaning, which is something children need to know to be ready to read.
