Activities

Elephants in the Bathtub

One elephant in the bathtub
Going for a swim
(Make swimming motions)
Knock, knock
(Clap twice)
Splash, splash
(Slap knees twice)
Come on in!

(Motion with both hands to come in)

Repeat to five

Five elephants in the bathtub
Going for a swim
(Make swimming motions)
Knock, knock
(Clap hands twice)
Splash, splash
(Slap knees twice)
They all fell in!
(Fall over)

Early Literacy Tip

When you ask children questions like “What do you think will happen?” you help them learn how to make predictions, which is an important part of scientific investigation.

By listening to what they say, you can build their background knowledge by adding more information or ideas as you talk together.

All of this information will help them understand what they read.
