Winter Pokey

You put your right mitten in
You put your right mitten out
You put your right mitten in
And you shake it all about.
You do the winter pokey (shiver)
And you turn yourself around
That's what it's all about!

You put your left mitten in . . .
You put you right boot in . . .
You put your left boot in . . .
You put your hat in . . .
You put your snowsuit in . . .

Literacy Tip

When you give your children positive reinforcement by clapping or telling them that they did a great job, you are encouraging them to act independently and cooperatively. To encourage independence and cooperation at home, use activities that your child can do easily, and don't forget to give lots of positive reinforcement.
